

Ebel Natural Stone™ THIN VENEER

Made from natural coursing stone, thin veneer provides the same quality stone product in a lightweight, space saving alternative. Corner pieces are available to fit the design, giving the full depth look.

Ebel Natural Stone Thin Veneer can be installed, indoors or out, and in most cases special structural support is not required. Natural Stone Thin Veneer is excellent for facing zero clearance fireplaces, outdoor kitchens, residential and commercial buildings, as well as flooring.
